

PKAV Aluminium portal crane mobile

Properties

- Mobile with load.
- Very short assembly and disassembly time of a few minutes.
- 3-part dismountable, two columns and a support beam.
- Foldable columns for easy transport.
- Height adjustment, installation in low spaces is possible.
- Adjustable span by one, movable columns.
- Very low own weight because the crane is made entirely of aluminum and plastic.

Applications

- If a non-permanent lifting point has to be created quickly and easily.
- Ideal for use when changing tools on machines or as an aid for repairs and replacement of parts, machines and pumps.

Standard delivery

- Trolley included.
- Exclusive hoist (see Chapter 1).

Option

- Other designs on request
